

Lamoka Baptist Camp STAFF COVENANT

I desire to grow spiritually during my time at Lamoka Baptist Camp.

I will obey all camp rules, and I understand that they are in place for my safety and for my good. I understand that the Camp Administrator or the Board of Directors can dismiss me at any time and for any reason.

I agree with the camps theological position (doctrinal statement) and will lead others accordingly.

I will not bad-mouth the camp, its workers, or its campers.

I will not bad-mouth other Christian ministries or their workers.

I will be open and honest with the leadership of Lamoka, concerning, but not limited to my health, needs, and spiritual life. I will also comply with all directions given to me by those placed over me (see the chain of command).

I will find creative ways to encourage campers to do what is right, and I will not resort to yelling or threatening.

I agree to comply with and follow all guidelines that are laid out in the **Safety Plan** (Your coordinator will go over the information pertinent to you during CIT).
